

## PROGRAMME REPORT

### “CAREER GUIDANCE – A ROAD MAP FOR DENTAL STUDENTS”

Department of Oral Pathology & Microbiology Organized a Career Guidance Programme on 30<sup>th</sup> April 2022 under **GDCH LITERARY CLUB** activity.

Wing Commander Sudip Indu MDS, Indian Air Force, was the Guest Faculty. He elaborated on various options available for a dental graduate after Internship. He focused on how the Indian Defence Forces offer various job opportunities which the students of this region fail to capitalize upon.

Dr. Sudip Indu, specifically mentioned about the Post Graduate students and their prospects in Dental Corps of Air Force, Army and Navy.

Initially Dr. Suchitra Gosavi, Professor & Head Department of Oral Pathology, welcomed the guests and emphasized about career guidance, which is the need of the hour for a fresh passed out graduate.

The Programme was Presided over by Dean, Dr. Abhay Datarkar, who congratulated the Department of Oral Pathology & Microbiology for arranging such an event.

Dr. Akshay Dhobley conducted the proceedings, Dr. Dipak Ghatage proposed the Vote of Thanks.

The event was attended by faculty members, PG students, interns, final year students.
