

Table Top clinic Presentation (TCP)

Theme :- DENT-X(Dentistry Expanded)

Table Top clinic Presentation Guidelines:

This is a table clinic presentation demonstrating a method of Oro-facial therapy. This may show preventive, restorative, surgical or diagnostic procedures, or it may concern itself with materials or devices directly related to dental care. It may include materials that advocate one clinical technique or another without research. A table clinic including research and/or advocating a clinical technique as a result of that research belongs to this category.

Innovative and recent techniques are preferred.
